MEETING PROGRAM

Ms. Sheri Jones of the Vance Granville Community College Small Business Center served as our guest speaker. Ms. Jones was born in Henderson and started her career in Roses Stores. Later, she worked as the Downtown Development Director. The Small Business Center (SBC) was established by the Legislature in 1984. It is the most expansive state-funded technical assistance program helping entrepreneurs start businesses or small business owners succeed. The SBC covers Vance, Granville, and Warren Counties helping with large economic impact. All services are free of charge, and all funding is separate from the community college.

Programs include core seminars and classes. The Ice House Entrepreneurship Program, a new activity teaching creative thinking and problem-solving skills, will be offered at no charge. Interested participants may email jones@vgcc.edu for information.
